

## Country codes

The code that tells you the country for which the motorcycle was made for is actually not carved in you bike's frame or engine but can be found at brochures, manuals or parts lists. Here follows the list of the country codes I know of:

- E-00 Japan (domestic home market)
- E-01 General (general export)
- E-02 England (UK)
- E-03 USA (America) except California
- E-04 France
- E-06 South Africa
- E-15 Finland
- E-16 Norway
- E-17 Sweden
- E-18 Switzerland
- E-19 EU (European Union)
- E-21 Belgium
- E-22 Germany (former West-Germany)
- E-24 Australia
- E-25 Netherlands (Holland)
- E-28 Canada
- E-33 California
- E-34 Italy
- E-39 Austria
- E-53 Spain
- P-37 Brazil
